Keeping children safe at Slieve Russell

The Slieve Russell Hotel offers an especially warm welcome to families and children of all ages.

We understand that their safety is of the utmost importance. So with that in mind, may we please ask you to take note of the following guidelines during your visit:

Public Areas

The hotel's public areas such as corridors, bars, restaurants, Country Club and foyer can be busy. So to avoid accidents or little ones getting lost, an adult should be with children at all times and in the interest of everyone's safety we actively discourage children running in public areas.

Restaurants/Function Rooms

Hot food and beverages are served in these areas, therefore we would be grateful if children could remain seated during service. Colouring pads and crayons are available to keep children amused.

Country Club

Children under 10 years must be accompanied by an adult in the water, at all times. Children under 12 must be supervised by an adult, either on the pool deck or in the viewing gallery. We recommend the use of a flotation device for non-swimmers. The use of cameras, video cameras or any device containing camera equipment of any kind is prohibited in the pool area, bathrooms and changing facilities.

Kells Bar

Naturally we adhere to the relevant licencing laws, therefore in accordance with the Intoxicating Liquor Act children under the age of 18 years are not permitted to enter the bar area after 10pm (summer) and 9pm (winter).

Our Kid's Club

Hotel residents can avail of the Russell Rabbit's Kids' Club during school holidays and peak times. The club has organised supervised games and activities, which cater for children aged 4-12 years old. Children must be signed in and out of the facility and parents contactable at all times. All our Kids' Club team are Garda vetted and have received Child Safeguarding training.

Soft Play Room

Hotel residents can avail of this facility (located on the 5th floor), suitable for children up to 4 years. Children must be fully supervised by parents or guardians as this area is not supervised by hotel staff. This room is only accessible by using your bedroom key card.

Children's Games Room

The Children's Games Room is located on Reception Level and has a variety of games. CCTV is in operation in this area.

Dress Code

To ensure everybody's safety we respectfully request that children wear footwear when in public areas.

A family visit to the Slieve Russell Hotel should be about enjoyment and relaxation. Our guidelines listed above ensure your families safety and we hope that you enjoy your time with us.
